DR.-ING SAMER AQLAN

Doctor of Engineering

Nationality: Bahrain
Alfateh, Kingdom of Bahrain
+97339233030 - Samiraqlan@gmail.com

Career Objective

Experienced civil engineer with 20+ industrial experience, holding a master's degree in project management and a doctorate of engineering in Structural engineering, and two-years experienced in teaching civil engineering subjects in ABET accredited university.

Additional Skills

- Project Management Skills
- Teaching principles approach
- Negotiation
- Critical Thinking
- Communication Skills
- Scientific conducting

Experience

2017-2020
University of Bahrain
Civil-engineering department
Bahrain

Part-time instructor

- Mechanics of material CENG 212 (Second semester 2017-2018 & First semester 2018-2019)
- Engineering Ethics CENG 400 (First semester 2018-2019 & Second semester 2018-2019)
- Construction Engineering CENG 302 (Second semester 2018-2019 & First semester 2019-2020)

2015-2018
Al-Zamel international construction Co.
Bahrain

General Manager

- Preparing tender documents
- Follow up on the projects on site (check progress, quality, and schedule).
